

How to separate and dispose of your waste and garbage

★Cautions in handling all types of garbage

○All garbage should be taken out to a designated collection site by 8:30am of each collection day.

○Do not take out the garbage except on collection days. Please check the correct days and items of your garbage on the garbage calendar before taking it out.

Be aware of national holidays when collection days are moved.

○As for the waste which is generated on such occasions as moving out or special cleaning, please dispose of it either by taking it to **Sennan Garbage Disposal Facility** on your own or ask one of the designated general waste collection companies.

If you find the designated garbage bags or bulky waste stickers you purchased are defective, you can have them exchanged at the shop where you purchased them.

Burnable waste: (collected twice a week): 45 yen for 45L bag, 30 yen for 30L bag, 20 yen for 20L bag, 10 yen for 10L bag

○Such waste as futon (thick quilt) and blanket, carpet (both regular and electric), plants, clipped branches, disassembled wooden furniture are collected as burnable waste.

○Plastic products such as pails, trash boxes, planters, and clothes hangers, even with a "recyclable" sign, are collected as burnable waste.

○Kitchen garbage, or raw garbage, should be drained very well before taken out.

○For paper diapers, please get rid of stools in a toilet before taking them out as garbage.

○Sharp, pointy garbage, such as bamboo skewers, need to be squashed or bent in order to be collected safely.

○Pet manure and vomit cannot be collected as burnable waste. Please dispose in your home toilet. As for pet toilet sand, it is collected as burnable waste.

If the pet manure or vomit is absorbed in newspaper or coagulant, it is collected as burnable waste.

※If it's in a liquid form, please take it out as non-burnable waste.

★ Futon (thick quilt), floor cushion, mattress, and carpet

★ Clipped branches and disassembled furniture

Please fold futon or carpet to put in a designated garbage bag. If it's too big and does not fit in the bag, bundle it with cord or string and attach a 45L garbage bag.

Clipped branches or disassembled furniture made of burnable material should be bundled with cord or string. Please attach a 45L garbage bag.

☎072-483-1132

○Please call the above number between 9:00am and 4:00pm on weekdays.

※Please try to apply no more than twice a month using 5 bags or items each time at the most.

Things that can be put in a designated bag.

Things that cannot be put in a designated bag

Bulky waste sticker: 500 yen

①When you apply by phone, please give your address, name, and phone number.

○Please take out non-burnable waste and bulky waste to the front of your house on the day of collection. If your house is located where the waste truck cannot enter, you will be informed of a different site, such as a waste station of an apartment area, etc.

②Please tell the names and number of the items.

○As for bulky waste such as a chest of drawers, a kitchen cabinet, and a bookshelf, you will be asked about the size (height, width, and depth)

※When you measure those items, measure the longest part of each side.

③Your receipt number, the date of collection, and the fee will be informed.

※The costs of designated bags for non-burnable waste is 500 yen for a 45L bag and 250 yen for a 20L bag. For bulky waste, one sticker costs 500yen.

(1) If the total length of the three sides (height, width, and depth) is 3 meters or smaller, please put one sticker. If the bulky waste is bigger than this size, two stickers are required.

(2) A set of furniture (such as a set of sofa and arm chairs, and a set of dining table and chairs) requires 2 stickers, if a set consists of up to 5 pieces.

④Please purchase designated non-burnable waste bags or bulky waste stickers at a nearby shop, depending on the type of your waste.

○If you cannot find them yourself at the shop, please ask a clerk (ask for Soudai gomi shori-ken).

⑤Put your waste in the designated bag, or put the sticker on it accordingly, and place the waste outside by 8:30am on the informed collection date.

Used Clothes (recyclable/ collected free)

Clothes in this case do not include things you put on your head, hands, and feet, and underwears, as they are not suitable for recycling

○Please follow the collection day calendar.

○Please put the clothes in transparent or translucent bags, but put only those that are washed clean and are in a moderate condition, **since they are meant to be collected for recycling.**

Not suitable for recycling

○Things that are dirty or have holes, bedding (futon, pillow, mattress, etc), interior parts (carpet, floor cushion, etc), items like hats and gloves, or things that you put on your head, hands, and feet are not suitable for recycling, so please take them out as burnable waste.

Paper containers, wrapping paper, newspaper, magazines, cardboard (recyclable/collected free)

○Please do not put paper items in plastic bags **to avoid trouble of separating them.**

○Drink cartons need to be cut open, washed a little, and dried before disposal

Things that cannot be collected

Do not put in a plastic bag.

○For adhesive envelopes and post cards, things made of water-resistant paper such as paper cups and plates, oil paper, synthetic paper, thermal paper such as fax paper and receipt, printer-ready paper, carbon paper or non-carbon paper, paper of complex materials such as plastic film, fragrant paper such as soap wrapping paper and paper box for detergent and incense sticks, please separate them as burnable waste, as they are all unsuitable for recycling.

Plastic containers and wrappers (recyclable/collected free)

※Dirty items cannot be recycled, so please take them out as burnable garbage.

Caution when taking them out

They need to be cleaned and dried with no remnants or particles of food inside.

Items like large pieces of foam polystyrene need to be broken into small pieces and put in a transparent or translucent bag.

Plastic bottles (recyclable/collected free)

Please remove labels and lids and dispose of them with plastic containers and wrappers

Bottles and cans (recyclable/collected free)

OCans up to 9L in capacity should be taken out as recyclable waste.

O18L cans and cans for engine oil need to be taken out as non-burnable waste.

OJars for medicine and agricultural chemicals cannot be recycled, so please take them out as non-burnable waste.

OCosmetic bottles with "recyclable" sign are treated as recyclable waste, and the ones without the sign are non-burnable waste.

Items covered under the Home Appliance Recycling Law (TV sets, refrigerators, freezers, washing machines and dryers, and air conditioners)

Items covered under the Home Appliance Recycling Law cannot be collected by the city. Also, they cannot be treated at a waste disposal facility.

① You can request a distributor to dispose of those items.

② You can bring those items on your own to a designated site or delivery company.

③ Following are the designated dealers that you can contact and ask for the treatment of those items.

★ Sennan Environmental Cooperative Association

☎483-0530

★ Sennan Cooperative Association for General Waste

☎484-0288

1 To ask the store to treat your waste

① Please ask the store where you purchased the item, or a nearby store.

② "Collection and delivery charge" and "recycling fee" need to be paid to the store.

2 To bring the items to the designated site on your own

① Please pay the recycling fee at the post office or the designated site.

※ You will find an application form at the post office or the site. The manufacturer's name of the item needs to be filled in, so please find out in advance.

② Please put the "recycle sticker" on your item and bring it directly to the "designated site, or the delivery company."

3 To ask a designated dealer to treat your waste

OPlease call one of the telephone numbers above, make arrangement, and pay "collection and delivery charge" and "recycle fee."

Recycling of personal computers

PCs with no manufacturers (such as self-built computers or computers made by a manufacturer that has gone bankrupt, etc) will be collected and recycled by the "PC 3R promotion Center" for a fee.

※☎03-5282-7685

(<http://www.pc3r.jp>)

Recycling of motorcycles and scooters

Call Center for Two-wheeled Vehicles

☎03-3598-8075

Open between 9:30~17:00 (except Saturdays, Sundays, national holidays, year-end and new year days)

(<http://www.jarc.or.jp/motorcycle/>)

Other items that cannot be collected or brought in directly

Ofollowing items cannot be collected by the city nor can be brought in directly to Sennan Garbage Disposal Facility

Area Division Map for Garbage Collection

Garbage collections days in the areas marked with a blue line are Mondays and Thursdays, and days in the red-lined areas are Tuesdays and Fridays.
